

# Programming Partner Package Items

**Package Price USD 90,000 +VAT**

## Package Inclusions

### **Exclusive Presence:**

Each Programming Partner package grants inclusion in the Green Zone program.

### **Visibility and Promotion:**

Your company's logo will be prominently displayed on the COP29 Programming section website.

### **Priority Purchase Rights:**

100% guaranteed purchasing privilege to 50 sqm of space (to be purchased separately).

## Application Requirements

### **Comprehensive Agenda Submission:**

Companies must submit their proposed agenda and potential program, along with supporting documentation such as sustainability reports and transformation initiatives.

## Additional Information

### **Single Program Allocation:**

Each package allows for the allocation of one program. Companies wishing to include multiple programs or secure larger spaces must purchase additional packages.

## Benefits

### **Enhanced Visibility:**

Gain exposure by having your logo featured on a high-traffic website section.

### **Strategic Positioning:**

Position your company as a leader in sustainability and transformation efforts within the Green Zone.

### **Guaranteed Space Purchase:**

Secure priority rights to acquire additional space, ensuring your company's prominent presence at the event.

### **Exclusive Opportunities:**

Leverage the package to showcase your company's initiatives and engage with a focused audience.
